EuroDry Ltd. was formed on January 8, 2018 under the laws of the Republic of the Marshall Islands to consolidate the drybulk fleet of Euroseas Ltd into a separate listed public company. EuroDry was spun-off from Euroseas Ltd on May 30, 2018; it trades on the NASDAQ Capital Market under the ticker EDRY. EuroDry operates in the dry cargo, drybulk shipping market. EuroDry's operations are managed by Eurobulk Ltd., an ISO 9001:2008 and ISO 14001:2004 certified affiliated ship management company and Eurobulk (Far East) Ltd. Inc., which are responsible for the day-to-day commercial and technical management and operations of the vessels. EuroDry employs its vessels on spot and period charters. The Company has a fleet of 10 vessels, including 5 Panamax drybulk carriers, 1 Supramax drybulk carrier, 2 Ultramax drybulk carriers and 2 Kamsarmax drybulk carriers. Eurodry's 10 drybulk carriers have a total cargo capacity of 728,975 dwt.

Business Strategy: Our business strategy is focused on providing consistent shareholder returns by carefully timing and structuring acquisitions of drybulk vessels and by reliably, safely and competitively operating our vessels through Eurobulk and Eurobulk FE. We continuously evaluate purchase and sale opportunities, as well as long term employment opportunities for our vessels.

Competitive Strengths: We believe that we possess the following competitive strengths:

- **Experienced Management Team.** Our management team has significant experience in all aspects of commercial, technical, operational, and financial areas of our business.
- **Cost Efficient Vessel Operations.** We believe that because of the efficiencies afforded to us through Eurobulk and Eurobulk FE, the strength of our management team and the quality of our fleet, we are, and will continue to be, a reliable, low-cost vessel operator without compromising our high standards of performance, reliability and safety.
- **Strong Relationships with Customers and Financial Institutions.** Our management team, Eurobulk, Eurobulk FE and the Pittas family have developed strong industry relationships and have gained acceptance with charterers, lenders and insurers because of long-standing reputation for safe and reliable service and financial responsibility through various shipping cycles. Through Eurobulk and Eurobulk FE, we offer reliable service and cargo carrying flexibility that enables us to attract customers and obtain repeat business. We believe that the established customer base and reputation of ourselves, Eurobulk, Eurobulk FE and the Pittas family help us to secure favorable employment for our vessels with well-known charterers.

Matters discussed in this Corporate Fact Sheet may constitute forward-looking statements. Forward-looking statements reflect our current views with respect to future events and financial performance and may include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements, which are other than statements of historical facts. The forward-looking statements herein are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, management's examination of historical operating trends, data contained in our records and other data available from third parties. Although EuroDry Ltd. believes that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond our control, EuroDry Ltd. cannot assure you that it will achieve or accomplish these expectations, beliefs or projections. Important factors that, in our view, could cause actual results to differ materially from those discussed in the forward-looking statements include the strength of world economies and currencies, general market conditions, including changes in charter hire rates and vessel values, changes in demand that may affect attitudes of time charterers to scheduled and unscheduled drydocking, changes in EuroDry Ltd. operating expenses, including bunker prices, dry-docking and insurance costs, or actions taken by regulatory authorities, potential liability from pending or future litigation, domestic and international political conditions, potential disruption of shipping routes due to accidents and political events or acts by terrorists. Risks and uncertainties are further described in reports filed by EuroDry Ltd. with the US Securities and Exchange Commission.
